# Action Taken Report - Alumni Feedback Analysis (2022-23)

#### Introduction:

This report outlines the action plan based on the alumni feedback received in 2022-23, addressing areas identified for improvement while acknowledging positive aspects.

#### Positive Aspects:

• Faculty: The overwhelming positive feedback on faculty excellence highlights the college's strength in providing high-quality teaching and mentorship. Maintaining this focus on faculty development and support is crucial.

#### Areas for Improvement:

- College Environment: While the majority perceive the environment positively, addressing the "Average" ratings requires:
  - o Identifying specific concerns through detailed analysis of feedback.
  - o Implementing initiatives to enhance campus life, student engagement, and overall well-being.
- Infrastructure: The increase in "Average" ratings compared to the environment suggests the need for:
  - o Conducting a comprehensive infrastructure assessment to identify areas requiring maintenance, upgrades, or expansion.

Prioritizing resource allocation for infrastructure improvements based on identified needs.

- Library: The diverse range of responses necessitates:
  - Analysing the specific reasons behind "Average," "Poor," and "Very Poor" ratings to understand resource gaps or service limitations.
  - o Implementing strategies to improve library resources, accessibility, and services based on identified shortcomings.
- **Co-curricular Activities:** The mixed feedback on co-curricular activities indicates a need for:
  - Analysing the reasons behind lower ratings to understand student preferences and participation levels.
  - Enhancing the quality and variety of co-curricular activities to cater to diverse student interests and promote active engagement.

#### Action Plan:

- 1. Form a dedicated committee: Establish a committee comprising faculty, staff, and alumni representatives to oversee the implementation of the action plan.
- 2. **Develop targeted initiatives:** Based on the identified areas for improvement, develop and implement targeted initiatives for each category, including:
  - o College Environment: Organize events, workshops, and student-led initiatives to foster a more vibrant and inclusive campus life.
  - o **Infrastructure:** Prioritize maintenance and upgrade projects based on the needs assessment.
  - Library: Increase resource availability (physical and digital), improve accessibility (extended hours, online access), and enhance services (user training, librarian support).
  - o **Co-curricular Activities:** Expand the range of activities, collaborate with student organizations, and promote participation through incentives and recognition programs.

- 3. Monitor and evaluate: Regularly monitor the progress of implemented initiatives and evaluate their effectiveness through ongoing feedback mechanisms.
- 4. **Communicate with alumni:** Maintain open communication with alumni by sharing progress reports and inviting feedback on the implemented changes.

#### Timeline:

- Specific action plans for each category will be developed within the following academic year.
- Implementation of initiatives will commence within the next academic year.
- Regular monitoring and evaluation will be conducted throughout the implementation process.

#### Conclusion:

By actively addressing the identified areas for improvement and building upon the positive aspects highlighted by alumni, the college can strive to create a more comprehensive and fulfilling educational environment for future students. This commitment to continuous improvement will ensure that the college maintains its reputation for excellence and remains a source of pride for its alumni.
