6. Energy conservation initiatives in the college like efficient lighting, Solar Roof Top Power Plan
7. Online interactions and Webinars with experts during COVID-19 lockdown.
8. The IQAC implemented a robust mechanism to capture student feedback on various academic and administrative aspects. Online surveys were utilized to collect feedback from students, enabling us to identify areas for improvement. Additionally, the IQAC streamlined the grievance redressal system, ensuring prompt and fair resolution of student grievances.
9. To foster a culture of continuous improvement, the IQAC introduced several quality enhancement initiatives throughout the academic year. These initiatives included the implementation of outcome based education, establishment of a mentorship program for students, strengthening of the library resources, enhancement of infrastructure facilities, and expansion of co-curricular and extra-curricular activities. The IQAC closely monitored the progress and effectiveness of these initiatives through periodic assessments and feedback mechanisms.
10. The IQAC focussed on enhancing student support services to address their diverse needs and promote holistic development. This included the establishment of counselling and career guidance centers, organizing workshops on soft skills and employability. The IQAC also promoted inclusivity and diversity within the college community.
