**Subject: Regarding Action Plan for Conducting Online/Virtual Classes Teaching during Lock Down Period owing to COVID-2019 pandemic during 2019-20 academic session**

**Reference: Letters of Directorate of Higher Education, Uttarakhand dated 11, 13 and 15 April, 2020.**

**Dear Students,**

As you are already aware that due to Novel Corona Virus (COVID-2019), lock down situation is prevailing throughout country including Uttarakhand. In order to continue teaching in colleges, Directorate Higher Education, Uttarakhand, Haldwani has sent the quoted letters referring the instructions/ guidelines from Ministry of Human Resource Development (MHRD), Govt of India, New Delhi; University Grants Commission (UGC), New Delhi and Hon'ble Governor Uttarakhand for conducting online classes for UG and PG students.

With reference to the same, we have formed a new "Committee for On Line Classes" at college level for formulating the desired action plan, which they have finalized and the same is being implemented (letter available at website of college with mobile number).

You need to also look for and search another Consolidated List(s) of Faculty Members of all 21 Departments and 3 Professional courses (at website of the college) for subjects being taught and run in college and the disciplines/ subjects opted by you at UG or PG level. This list comprises the names of all Faculty Members of each department, their Mobile Numbers (WhatsApp ready) and E-Mail Addresses.

Kindly check the list pertaining to your subjects at UG level or one subject at PG level. You already have the Time Table (which was being used for teaching purpose in department of your subject(s) in College) for your teaching of your class/ section according to subjects/ papers chosen by you.

Kindly contact your concerned Faculty Member, who was teaching/ taking your theory section/ class through mobile Number or E-mail given under the departmental list of Faculty Members given at college's website. All the individual faculty members have planned a schedule of online classes, which they will share with you through the WhatsApp group formed for your class or through e-mail or to individual student at his/ her mobile number (WhatsApp active).

Alternatively, if possible, this schedule of conducting online classes will be collected and compiled by college's committee for "On Line Classes" from each teacher and can then be uploaded at college's website, and accordingly students can join the online classes scheduled as per date and time of teacher of your subject/ paper/ class/ section.
